

2023 Important Payroll Filing Dates and Information

SPECIAL NOTE: All employers must use electronic funds transfer (EFT) to make their deposits. Generally, electronic fund transfers are made using the Electronic Federal Tax Payment System (EFTPS), which is a free service provided by the Department of Treasury. An employer that does not want to use EFTPS can arrange for a tax professional, financial institution, payroll service, or other trusted third party to make electronic deposits on the employer's behalf.

DEPOSIT RULES: Under IRS deposit rules, employers are either classified as a MONTHLY or SEMI-WEEKLY depositor. Employers determine their deposit status based upon the aggregate amount of employment taxes paid during the "lookback period," a twelve-month period beginning July 1 of the second preceding year and ending June 30 of the prior year. For 2023, the "lookback period" is July 1, 2021, through June 30, 2022.

SEMI-WEEKLY DEPOSIT RULE: The total tax reported on Forms 941 during the "lookback period" is more than \$50,000. Employers must deposit on Wednesday and/or Friday, depending on what day of the week they make payments. Employers with payment days that fall on Wednesday, Thursday, and/or Friday must deposit the accumulated taxes on or before the following Wednesday. Employers with payment days that fall on Saturday, Sunday, Monday, and/or Tuesday must deposit the accumulated taxes on or before the following Friday. Employers will always have three (3) business days after the end of a semi-weekly period to make a deposit. If any of the three weekdays after the end of a semi-weekly period is a legal holiday, employers will have one additional business day to deposit.

MONTHLY DEPOSIT RULE: The total tax reported on Forms 941 during the "lookback period" is \$50,000 or less. Employers must deposit employment taxes and taxes withheld on payments made during a calendar month by the 15th day of the following month. Employers that accumulate \$100,000 or more on any day (see \$100,000 one-day deposit rule) immediately switch from a monthly depositor to a semi-weekly depositor for at least the remainder of the calendar year and for the following calendar year.

\$100,000 ONE-DAY DEPOSIT RULE: Employers subject to the semi-weekly or monthly deposit requirements that accumulate \$100,000 or more of employment taxes and taxes withheld during a deposit period must deposit those taxes by the close of the next business day following the day on which the amount was accumulated.

DEPOSITS ON BUSINESS DAYS ONLY: For MONTHLY and ONE-DAY depositors, if a deposit is required to be made on a day that is not a business day, the deposit is considered to be timely if it is made by the close of the next business day.

\$2500 EXCEPTION DEPOSIT RULE: The threshold for the deposit requirement is \$2,500. If employers accumulate less than a \$2,500 tax liability during a current quarter, no deposits are required. The employer may pay the tax liability with a TIMELY tax return for the quarter.

SATURDAY, SUNDAY OR LEGAL HOLIDAY: If any due date falls on a Saturday, Sunday, or legal holiday, payments are due on the next business day. When a day set apart as a legal holiday, other than the day of inauguration of the President falls on a Saturday, the next preceding day is observed as the holiday. When a day set apart as a legal holiday falls on a Sunday, the next succeeding day is observed as the holiday. Legal holidays are the legal holidays in the District of Columbia as found in the D.C. Code Ann. §28-701. (State legal holidays are no longer considered legal holidays unless they coincide with a legal holiday in the District of Columbia.) Legal federal holidays for 2023 are:
