

Pamela Fack, CPP  
Payroll Manager, QAD Inc

Pamela Fack is the Payroll Manager for QAD Inc, providing global Cloud Enterprise solutions for manufacturing. Headquartered in Santa Barbara, CA, QAD employs 1900+ people in twenty-five offices around the globe, with their software being used in over 100 countries.

Ms. Fack has been involved in payroll for over 20 years. In addition to managing the daily aspects of multi-state U.S. and Canada payrolls, she manages vendor relations and compliance research. She provides consulting regarding international transfers, mergers and acquisitions. Reconciliation and general ledger entries pertaining to payroll also fall under her purview.

Pam started her payroll career in the hospitality industry and has garnered additional payroll experience through municipal services and the entertainment industry. As an active member of the American Payroll Association at the national level she volunteers with the Hotline Referral Service, Strategic Payroll Leadership Task Force-Best Practices, Certification Item Development Task Force, and is a member of the National Speaker's Bureau. On the local level she is President of the Santa Barbara area chapter of the APA. She teaches Payroll Accounting at Santa Barbara Community College and, in her spare time, volunteers at the ASAP cat shelter.
