

Visa Payroll Card

Reinvent payday with a more cost-efficient and flexible alternative

Reduce payroll costs, increase processing efficiency and build employee loyalty all at the same time. The Visa Payroll card is a prepaid card that provides companies a convenient, low-cost alternative to disbursing salary and wages to employees. For employees, the Visa Payroll card offers valuable benefits by eliminating check-cashing fees and providing a more convenient and secure way to receive and access funds.

Benefits of the Visa Payroll card

Issuers/partners

- Strengthen relationships with business clients by providing a valuable benefit they can offer their employees
- Generate incremental revenue from new business opportunities
- Provide underserved consumers with a financial product that increases their independence and improves financial management skills

Employers

- Expand direct deposit to all employees, short-term employees and contract staff
- Reduce costs associated with manual wage disbursement
- Build employee loyalty with a valuable benefit that provides increased convenience and safety

Employees

- Enjoy faster access to funds by having pay deposited directly to the Visa Payroll card
- Eliminate check cashing fees and the risk of carrying large amounts of cash
- Use the card to conveniently make purchases at millions of locations worldwide — in stores, online or by phone — or to pay bills remotely
- Reduce dependence on friends and family for basic financial services
- Use the card to remit funds to friends or relatives
- Obtain cash at Visa/Plus ATMs in more than 200 countries
- Improve money management and spend tracking
- In the U.S., enjoy the benefits of Visa Purchase Security, which protects eligible Visa card purchases from theft or damage¹
- Enjoy protection against lost or stolen cards and unauthorized purchases²

¹ Cardholder should contact their issuer for full program terms and conditions, and to confirm specific coverage levels.

² Cardholder must notify issuer promptly of any unauthorized use and should consult the issuer for additional details.

How it works

- 1 Employees enroll for the Visa Payroll card through their employer.
- 2 All participating employees receive a card and their pay is automatically deposited into their individual card account.
- 3 Employees use their cards to get cash, pay for purchases and pay bills.
- 4 Additional funds can be loaded to the account through Visa Prepaid Load services, or through other methods and channels determined by the issuer.
